Docket No. A2012-68

MOTION FOR LEAVE TO FILE RESPONSE  
TO UNITED STATES POSTAL SERVICE REPLY COMMENTS

(February 17, 2012)

The Petitioners in this appeal hereby request leave to file a response to the Postal Service's February 13, 2012 pleading addressing Reply Comments filed by the Public Representative. This Motion is filed pursuant to Commission rule 3001.21(a).

The Postal Service's Motion for Leave to File states that it did "not believe any party will be prejudiced by the filing of this additional information and explanations ... ." However, if not provided an opportunity to file this document, we – the direct parties in interest – believe prejudice will, in fact, occur.

I contacted Postal Service Counsel, Jacob Howley on this date, by phone, of our interest in filing this response. He was very receptive in that regard.

Respectfully,

Paul McClung, Petitioner
